April 2, 2013

Zuhl Library Conference Room

1:30 p.m. – 2:30 p.m.

**Members present:** Michelle Bernstein, Judy Bosland, Kathy Brook, Tim Hand, Sharon Lalla, and Shelly Stovall

**Staff present:** Valerie Stuart

1. **Greetings.**
2. **Approval of Minutes:** Minutes from the March 5, 2013 meeting were approved. Judy wanted to correct a statement she made at the March 5 meeting – the College of Engineering is not hiring a director of assessment. She misunderstood the announcement. The actual announcement was that the Director of Assessment candidate's interview/presentation was being held at the College of Engineering. The College of Education is in the process of hiring a director of assessment.
3. **Discussion of the Faculty Survey of Student Engagement (FSSE):** Members received copies of the FSSE and National Survey of Student Engagement (NSSE) to review. Members had an in-depth discussion weighing the pros and cons of each survey instrument. Topics included participation costs, benefits, and relevance of questions pertaining to NMSU. Judy conveyed NMSU participates in the NSSE every three years and the next implementation of the survey will take place Spring 2014. Shelly added that NMSU is allowed to add questions to the surveys which can be tailored towards the Baccalaureate Experience and Quality Initiatives. After much deliberation, members requested results from the 2011 NSSE survey be analyzed and shared with NMSU (ADAC, faculty meetings, student engagement units, etc.). Judy said she will begin work on this request and present the data to the Council. It was also suggested that UOAC hold an event at the beginning of the fall semester to discuss NSSE and how to use the information/results from the analysis.
4. **Assessment Retreat:** Shelly announced an Assessment Retreat has been scheduled for May 16, 9:30 a.m. -3:30 p.m., at the Holy Cross Retreat. All Las Cruces campus outcomes assessment committees (old and new members) and UOAC are invited to attend. Shelly also stated that her students would like to have an assessment retreat for students in the future.
