1. Greetings

Attendees: R.Goss, D. Smith, J. Fitzsimmons, L. Grant, J. Bosland, Boecklen, S. Beck,
P. Andersen, G. Armfield,

2. Approve agenda as proposed - approved with spelling corrections

3. Approval of Record of Meeting(s) from August

4. Progress of 20152016

objectives

- o Resources toolbox for GE instructors [Armfield, Fitzsimmons, Orelus] -, digitize documents, link to the BE, how do we distribute information, point of personal contact as new faculty come in, explore if there is a departmental syllabi collection.

- o Development of database/metrics [Boecklen, ?] Seeking information on gen ed courses, who teaches gen ed courses, student success rates

J. Bosland will work on getting data sets for gen ed courses. Pass rates, faculty teaching courses, number of times before success rate

- o Develop and pilot new instrument for Area IV [Beck, Wosick, ?] -

Will work throughout Fall to develop. Possibly focus on ethics.

- o Maintain GE assessment cycle [Goss]

- Fall Forum of Spring Assessment (“Grade Inflation”) -
- Ready “Art in Public Spaces” full Spring implementation - What are ways to improve the reliability.
- Develop “Area IV” pilot for spring implementation - The scoring sessions were intended to get faculty more involved.

5. Spring assessment results and open forum planning

- o Review Attachments - Attachments reviewed and discussed - Discussed the possibility of transcribing

Also discussed the Collegiate Learning Assessment administered 2011-2012
